PT Sumber Kreasi Cemerlang is a signage contractor company engaged in the design, production, and installation of various types of signage and marketing tools for different industry sectors. We provide high-quality signage solutions that not only serve as visual identities but also enhance the appeal and exposure of your brand.

As a company supported by a team of young professionals who are creative, passionate, and highly dedicated, we always prioritize quality, timeliness, and innovation in every project we undertake. With years of experience in the industry, we have been trusted by clients from various sectors, including retail, hospitality, property, government institutions, and private companies, to create modern, aesthetic, and functional signage. We are ready to provide the best service and reach all regions of Indonesia with a high commitment to customer satisfaction.

CORE VALUES

Best Quality – We use only high-quality materials and apply strict production standards to ensure signage that is durable, attractive, and optimally functional.

Professional Service – We understand that each project has unique needs, so we strive to provide the right, fast, and customer-aligned solutions.

Innovation and Creativity – We keep up with the latest technological advancements and design trends to produce modern signage tailored to industry needs.

Timeliness – We are committed to completing each project on schedule without compromising the quality of the final result.

Sustainability – We care about the environment and always strive to use eco-friendly materials and efficient production processes with minimal waste.

COMMITMENT

We are dedicated to delivering high-quality, durable signage with precision and top-tier materials, ensuring customer satisfaction. As a vital part of branding, we continuously innovate in design and technology to create functional and aesthetically impactful solutions. Backed by an expert team, we provide tailored consultations to maximize the effectiveness of every signage we produce.

VISION & MISSION

Vision

To become an icon and leader in the signage industry in Indonesia by delivering the best, innovative, high-quality, and durable signage solutions for various business and industry sectors.

Mission

1. Creating High-Quality Signage Products – Using the best materials, the latest technology, and superior production techniques to produce signage that is not only aesthetically pleasing but also durable.
2. Providing Fast and Accurate Service – Offering customized signage solutions that meet customer needs and ensuring efficient and professional execution.
3. Developing Professional Human Resources – Having an experienced workforce continuously trained to keep up with technological and design advancements.
4. Expanding Across Indonesia – Serving signage projects of all scales in various cities and regions throughout Indonesia.
